NARRATIVE:

Maria Pule has an extensive adult criminal history that began at the age of 18. Her convictions include felon in possession of a firearm, vehicle tampering, burglary, receiving known stolen property, possession of narcotic controlled substances and possession of controlled substances. She has served multiple incarcerations, the longest being a 2 year term for burglary. Pule was released from state prison to the supervision of the Los Angeles County Probation Department on November 21, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. She subsequently failed to report to her probation officer and an arrest warrant was issued in April 2015 after she absconded from post release community supervision (PRCS). Pule qualified to be released to the supervision of probation, under AB 109, because her current commitment offense for felon in possession of a firearm is defined as non-serious and non-violent under the California penal code. Her criminal history and current failure to comply with the terms of release make her a most wanted. If you know her whereabouts please contact...
